Dear Parent/Caregiver,

This year we are implementing the online eDiary program across the 10-12 section of the school. It will allow real time communication between staff and parents utilising current digital technologies.

In order for you and your child to access eDiary please provide your current e-mail address to ensure that you will receive notifications.

Please return the slip below as soon as possible with your current accessible e-mail address. An eDiary "Guardians Handbook" is available on our school website at <http://www.cedunaas.sa.edu.au>.

Regards,

Deb Richter
ICT Coordinator

Mark Prince
Deputy Principal
