

CEDUNA AREA SCHOOL

PMB 46
May Crescent
CEDUNA SA 5690

Network User Agreement

Our school actively encourages the use of communications technology. Each student will have an individual e-mail account. Students will be allocated an account that enables them to download information from the Internet sufficient for curriculum use. Each student will also have a printing account. The use of accounts to download/print personal material is allowed but students must be aware that they may be required to “top up” their accounts by paying for their downloads/prints.

Individual use of computers and access to the Internet through school facilities is available under conditions, which MUST be followed. FAILURE TO MEET THESE CONDITIONS MAY RESULT IN THE REMOVAL OF ACCESS RIGHTS TO COMPUTER AND/OR INTERNET FACILITIES.

These conditions are:

For Network and Internet (including e-mail and chat)

- During lesson times I will only use the system as directed by my teacher.
- I will only attempt authorised access to the system – never using another person’s identity or password (even if they say I can).
- I will use courteous and appropriate language in all communications and refrain from using obscene, harassing or abusive language at all times and will report any cases of such usage against me.
- I will not use the internet to display or send any material considered unacceptable/objectionable in the judgement of the Principal or delegate.
- I will not give out personal details of any kind (eg. Name, address, school, age etc) via School Internet

General

- I will respect the privacy, ownership and copyright of other people’s data.
- I will leave the configuration and appearance of the school’s machines as I find them.
- I will not damage or interfere with any hardware.
- I will not store program files (EXE, SWF), compressed files (ZIP, RAR, ARJ, TAR etc) or music files (MP3, MID, WAV, etc) on my directory or portable storage devices that I bring to school.
- I will not use or store data on portable storage devices (MP3 players, USB store drives, I Pods etc) for anything other than educational purposes.

My son/daughter of Year undertakes to follow the school expectations associated with the use of the Internet Access Agreement and I agree to top up their account if their limits are exceeded. He/she also understands that the misuse of the technology equipment could result in a time of exclusion.

We have read the “Network User Agreement” and accept all the conditions as described above.
